

Our team is actively seeking new talent ready to take the next steps in their sales careers in the Chicago land area. We want the best of the best. Must have a track record of closing deals and high performance in a “hunter” type sales position.

Come join our fine, progressive company and build your empire. Some benefits below of working with the Contemporary Energy Solutions team:

- 
- Hands on training and mentorship with industry leading talent. Learn from the best!
 - Work in an industry that is in dire need of competent sales representation
 - Work in an industry where you can show compelling economic justification to help close deals
 - Year 1 Base salary; 30-60K negotiable depending on performance history and strong commission bonus potential
 - Car Allowance
 - Health Benefits
 - Top performers will be able to surpass 6 figures consistently in income by the end of year 2. If you are a real rock star you can do this year 1. No caps on commissions; work for a company that rewards performance and will give you the tools you need to be successful!
